What's Going on in the Classroom this Week

Reception

Reception class started their new topic this week, on minibeasts. They have been learning all about spiders and wrote some spider facts.

In maths they used the greedy crocodile signs to write number sentences.

Year 1/2

In Yellow class this week Year 1/2 have been learning to tell the time in maths, and they learned about the months of the year. They also kicked off their 'water' topic by learning about 'The Snail and the Whale', and finding out about oceans the whale could visit on his journey.

Year 1 Pupils - Please could anyone who has not yet returned their 'Step on it' road safety permission slip do so as soon as possible, as this is on Wednesday (20th April). If any parents (or grandparents!) would like to volunteer to come out with us on our walk, please speak to Miss Debenham.

Ringsfield Residential - there will be a short meeting directly after school on Wednesday 27th April for parents of children taking part in the Ringsfield Residential in May.

Year 3/4

Year 3/4 are continuing their topic on Ancient Egypt this term, and have been writing non-fiction texts in literacy about Mummies.

In maths they have been learning about weighing in g and kg, and in science they started a topic about solids, liquids and gasses.

Yr 3 Pupils - please return your swimming permission slip as soon as possible. The first session is on Wednesday 20th April. Thank you.

Year 5/6

In maths this week Year 5/6 have been 'co-ordinate detectives', looking for clues to find missing co-ordinates, and in English, they have been learning how to use active and passive verbs.
