

Inspiring Local Giving

18 January 2012

Mrs Cassandra Williams
Thurton Church of England Primary School
Ashby Road
Thurton
Norfolk
NR14 6AT

Dear Mrs Williams

NORFOLK COMMUNITY FUND

You recently submitted an application to Norfolk Community Foundation. I am pleased to report that the Grants Panel has agreed to award £2,000.00 towards your project.

Included with this letter are two copies of the Terms and Conditions of our grant award. You should read through them, and sign and return one copy to us. A BACS payment will be made to your group account within 14 days of receipt of your signed copy.

Monitoring Objectives

- to launch a new community cinema
- to offer film making opportunities to students
- to provide cinema facilities that would be available to hire

After four months, we will contact you by telephone to monitor to what degree you have begun to meet your planned objectives. Close to the end of your grant term, we will send you an End of Grant Monitoring Form. You should complete the form and return it to us, along with receipts for money spent. No further grant applications may be considered from this fund until this report is completed and returned to Norfolk Community Foundation.

You are encouraged to publicise your project, and the funding you have received via Norfolk Community Foundation. To help you, we have put together a toolkit to provide some tips on how to publicise your grant – this is available from our website at <http://www.norfolkfoundation.com/Publicising-Your-Grant.htm>. Norfolk Community Foundation is also keen to collect case studies of funded projects to promote our work – you are encouraged to send us any public photos of your project for this purpose.

We wish you every success with your project, and hope that this award will enable you to continue your good work within your local community.

Yours sincerely,

Jenny Bevan
Grants Officer

School's award

Beckley Bungay 21st Sept 2012
THURTON VC Primary School has been given a silver award for innovative and creative practice in RE.

The mark was awarded by the RE Council of England and Wales in recognition of the school's creative and alternative practices.

It was given as part of a trial process that is about to be used nationally. The judging process included interviewing teachers, students and senior leadership.

Teacher Danielle Banham said: "It's a great reward for recognising the enquiry-based way we learn about values, concepts and other religions."

Headteacher Cassandra Williams said that she was delighted at the school being given the award

"We have had people from around the country visit to see what we are doing so right and to be asked to be one of the 20 trial schools in the whole country was an opportunity that we did not want to miss out on. To be awarded the silver award for R.E. and to not be far from the gold, is fabulous."

The school is holding an open day on Monday, October 22 for potential new parents. Call the office on 01508 480335 to make an appointment.
