Dear Cassandra

It was a pleasure to visit your school and to meet with you - I was impressed and cheered up!

I have passed your name to my colleague Steve Godson - who searches for LLEs from Good and Outstanding schools. He will be in touch with you in the new year re potential work from Easter.

In the meantime, I will think about a school/s you could support in an informal way..... and an outstanding one you could share ideas with...

Also - I am holding a conference on 7th Feb for the Norfolk to Good and Great primaries - I wondered if you and Jonathan would come and speak about your journey to outstanding? 20 mins? It's at the Norwich PDC from 12 noon? Or one of you if not both.....

I'd like to show you off in Norfolk!

Best wishes for Christmas

Denise

Cassandra,  
Thank you so much for presenting  
at the N2GG conference on Friday.  
You were excellent - you spoke  
with such passion and determination  
(as I knew you would!). Do let me  
know if you'd like to do any more  
with N2GG - it's a pleasure to work  
with you. Denise.
