Dear Ms Williams

### **RE Quality Mark**

The Standing Advisory Council on Religious Education (SACRE) has a remit to monitor the provision of Religious Education in Norfolk Schools.

At its meeting on the 12<sup>th</sup> July SACRE received details of the four Norfolk schools who have achieved the RE Quality Mark. Members of SACRE were delighted to hear that your school has been awarded silver Quality Mark and they have asked me to formally congratulate you on behalf of SACRE and the County Council.

Please would you also pass on our thanks to your RE Subject Leader - Danielle Banham. The Assessor reported that RE is beginning to have a very positive impact across the school and is leading in some creative curriculum topics. This good practice is also being shared with the cluster.

Once again, congratulations for this achievement. I wish you and your staff a very happy and relaxing summer break.

Yours sincerely,

David Orsborne  
Head of Integrated Education Advisory Services  
Clerk to SACRE
