

As one of the leaders of Norfolk's education system, we would like to invite you to a special symposium, convened by the **Department for Education** and hosted by **Transforming Education in Norfolk Group**, to address the question:

## **"How can local system leaders shape and lead Norfolk's Academy movement?"**

You have demonstrated your ability to create and maintain educational excellence, yet it remains a fact that some schools in Norfolk are struggling to deliver the kind of education that our children deserve. Leaders and governors of outstanding schools and institutions like yours are coming forward to find out how they can help to drive up standards right across the county, and make the education experience in Norfolk a match for the best in the country.

### **Speakers will include:**

**Lord Nash**  
Parliamentary Under Secretary  
of State for Schools

**Dick Palmer**  
Group Chief Executive Officer  
of TEN Group

**Alison Mobbs**  
Head Teacher at  
Lynn Grove High School

**Bill Holledge**  
Head Teacher at  
Greenacre Primary School

The event will be held on **Tuesday 9th July from 10.30am to 3.00pm at St Andrews House, St Andrews Street, Norwich NR2 4TP**. Because of the vital role that Governors play, we would also be delighted to welcome Chairs of Governors at this event, so we would appreciate it if you could forward this invitation to them also. A light lunch will be provided.

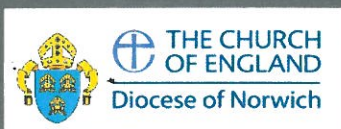

**Places are limited so please RSVP to: [academies.events@education.gsi.gov.uk](mailto:academies.events@education.gsi.gov.uk) or call 020 7340 8495 to attend this event.**
